A 501(C)3 CHARITY (EIN 82-2131359) - 100% TAX DEDUCTIBLE

The Laguna Beach Police Officers Honorary Program recognizes our respect and gratitude for the service, safety and security ensured to us by our police officers every single day.

Our mission is to help by providing the coordinated assistance too often needed to help our police officers and their families.

We provide to our community the lead charitable organization through which the community may confidently and compassionately help by showing their support.

We provide Laguna Beach Police Officers with the organization through which they may help their fellow officers' families and families of fallen officers.

And, we create an opportunity for our community to encourage success and excellence in our youth by providing financial aid to students exhibiting tenacity in their studies, good character and positive leadership qualities in their school, at home and in their community.

## LAGUNA BEACH POLICE FOUNDATION - GOALS

**BOYS AND GIRLS CLUB**

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

## SPECIAL OLYMPICS LAW ENFORCEMENT "TORCH RUN"

The Law Enforcement Torch Run for Special Olympics Southern California is the largest public awareness vehicle and grassroots fundraiser with more than 3,500 officers in Southern California championing acceptance and inclusion.

**K9 PROGRAM**

Canine teams provide a vital role in law enforcement and to our communities. A canine handler's job requires them to deploy in some of the riskiest situations, yet most departments do not financially ( or find it very difficult to ) support these canine teams to attend continuous training.

## POLICE EXPLORERS PROGRAM

The Police Explorer Program provides young men and women the opportunity to study the field of law enforcement and community service first-hand . The Program is a career development program, which emphasizes academic study, character development, and self-discipline. Explorers also assist police and city personnel at functions where they may be called upon for a variety of tasks, such as distributing information, fingerprinting children, or assisting in searches of missing children, just to name a few.
